**WHAT SHOULD SPECTATORS DO?** Due to the remote area of where the races run This is not a very spectator-friendly event. The course and trails purposely get runners out into desert solitude while offering fantastic views of Zion. There are only a few spots to watch and cheer on runners. Grafton Mesa A.S., as well as Virgin Desert A.S. and Virgin BMX Aid Station are all good places. Of course, the finish line is one of the best places to cheer on the finishers. There is also food available for purchase at the finish line.

**WHERE SHOULD WE EAT? WHAT SHOULD WE DO?** Runners were given a race guide

that has suggested restaurants and activities in it. We will also have a few food truck Vendors at the finish line.
