

SR-9 (Hurricane through Virgin)
Utah Department of Transportation
Fiber Optic Installation Construction

CONSTRUCTION NOTICE

The Utah Department of Transportation (UDOT) is planning a fiber optic installation to be performed by Specialized Communication Services, Ilc (SCS), from MP-2 on SR-9 in Hurricane near the DMV, following SR-9 through LaVerkin, turning east on SR-9 continuing through Virgin, UT to MP-20 near Fairfield Inn & Suites.

Construction is set to begin January 18, 2021 and will be ongoing through early June 2021.

Surrounding business, residents, and pedestrians can expect some traffic restrictions, construction equipment, and vehicles in the area, with possible lane restrictions and sidewalk closures.

If you have any questions or concerns please contact:

Public Information Manager | Brandi Gray
Hotline | 435-668-5916
