As of Nov. 28, 2018:

Ordinance # 2018-09 (**Prop. 21**)
Has OFFICIALLY PASSED. NO CHANGES HERE.

Ordinance # 2018-07 (**Prop. 20**)
Was and still is a tie. NO CHANGES HERE.
PROP 20 actually FAILED per code § 20A-1-303

Effective 5/8/2018

20A-1-303. Determining results.

- (2) Any ballot proposition submitted to voters for their approval or rejection:
- (a) passes if the number of "yes" votes is greater than the number of "no" votes; and
 - (b) **fails if:**
 - (i) **the number of "yes" votes equal the number of "no" votes; or**
 - (ii) the number of "no" votes is greater than the number of "yes" votes.

Amended by Chapter [187](#), 2018 General Session

These are the FINAL and OFFICIAL RESULTS. With a tie in this manner the vote fails if the number of "yes" votes equal the number of "no" votes. Either side does have the right to request a recount at their own expense.

THANK YOU FOR CARING.
